**OF THE GOVERNMENT OF RECONCILIATION
AND NATIONAL UNITY**

The Government of Reconciliation and National Unity greets all the Families with Joy and Hope, on today Easter Monday, thanking God for a Holy Week of Tranquility and Family Enjoyment of the Traditions of the Faith, Culture and Life.

We are happy and thankful to the Providence, for the massive movement of Nicaraguan Brothers

and Sisters that have met with our relatives, filling the different Recreational Spaces, and participating in all of the Religious Activities, as Peoples of God.

On Today, Earth Day, we greet each other with special affection, recognizing all the efforts that we make to take care of our Common Home, and to preserve our Natural Patrimonies with absolute Conscience of the responsibility that we have over our Shared Treasures.

We call upon one another to continue advancing in all Ways, Confirming the Harmonious Coexistence of the Nicaraguan Families, and putting into practice our Culture of Reconciliation, Understanding and Peace, We Move Forward, committed to the fulfillment of all the Agreements we have achieved, and in absolute disposition to continue

advancing according to the Agendas agreed upon in the Negotiation Table.

The Government of Reconciliation and National Unity, at the beginning of this new Week of shared efforts and with the certainty of moving forward with Faith and Trust in God, we are filled with that Invicta Spiritual Force that He has given us, to continue Learning, Undertaking, Working and Thriving.
