Unida Nicaragua Triunfa**

**IN A NEW YEAR  
OF UNITY FOR PROSPERITY**

We embrace each other as a Family, as Sisters and Brothers, as a Community of Christian Solidarity, as Nicaraguans, by the Grace of God, in this another New Year's Eve, in which we all ask the Great Spirit, that it may also be the end of hatred and negative feelings that cannot prevail among us.

God has given us a Good Year. God has allowed us to consolidate Affection, Peace, Work, Safety, Health, Tranquility and Stability, all of which we aspire to make permanent in this Our **Free, Sovereign and Dignified Motherland.**

With Great Love, with Joy, with Sublime and Celestial Hopes, inspired and enlightened, we begin another Year, with the certainty

that we will Always be Blessed, Always More Prosperous, and Always in Greater Victories.

At the gates of 2022, our United Hearts invoke, clamor, we commit ourselves, to continue **All Together, Moving Forward, with the Force of a People that Triumphs.**

We embrace each other in the daily Heroism of Women, Men, Youth, Families; of Producers, Entrepreneurs, Merchants, Professionals, Technicians, Workers, Students, all Fighters of this **Motherland of All**, that with our honest and integral effort, we come together to Fight against Poverty and create Progress, Prosperity, as the **People-President**, from a **Project and a Government** that proposes to continue working **with Everyone and for the Good of Everyone.**

May God give us more Joy, more Energy, new and brighter Days, new and brighter Times,

to move forward, banishing the lack of Love and any hint of indifference, servitude or subordination to stateless interests.

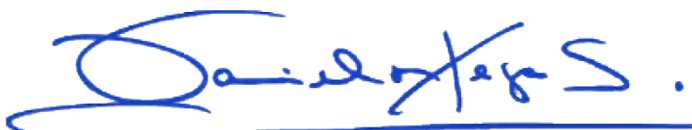

Here we are, in Prayer, Blessings, Prosperity and Victories, all of us who feel infinitely grateful and committed to safeguarding and protecting the greatest Treasure of this Sacred Nicaragua: **Peace and the Common Good.**

**May we have a Year, Days, Times, Each time better, with Health and with the Grace of God...**

**Always Beyond... Always in Light, Life and Truth! Happiness, Happiness... The New Days are coming!**

**From Family, to Family, we love each other so much.**
